WHY ENQUIRIES IMPORTANT?

Short Answer

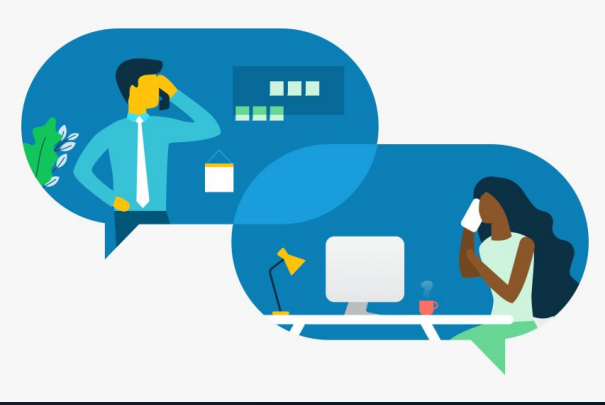

WHY ENQUIRIES IMPORTANT?

Making enquiries
as a form of
communication.

We make enquiries when we want to

- Ask for more information concerning a product, service or other information that interests us.
- These enquiries are often made in response to an advertisement that we have seen in the paper, a magazine, a commercial on television when we are interested in purchasing a product/service, but would like more information before making a decision
- Enquiries can be in oral or written form

WHY ENQUIRIES IMPORTANT?

A good response will

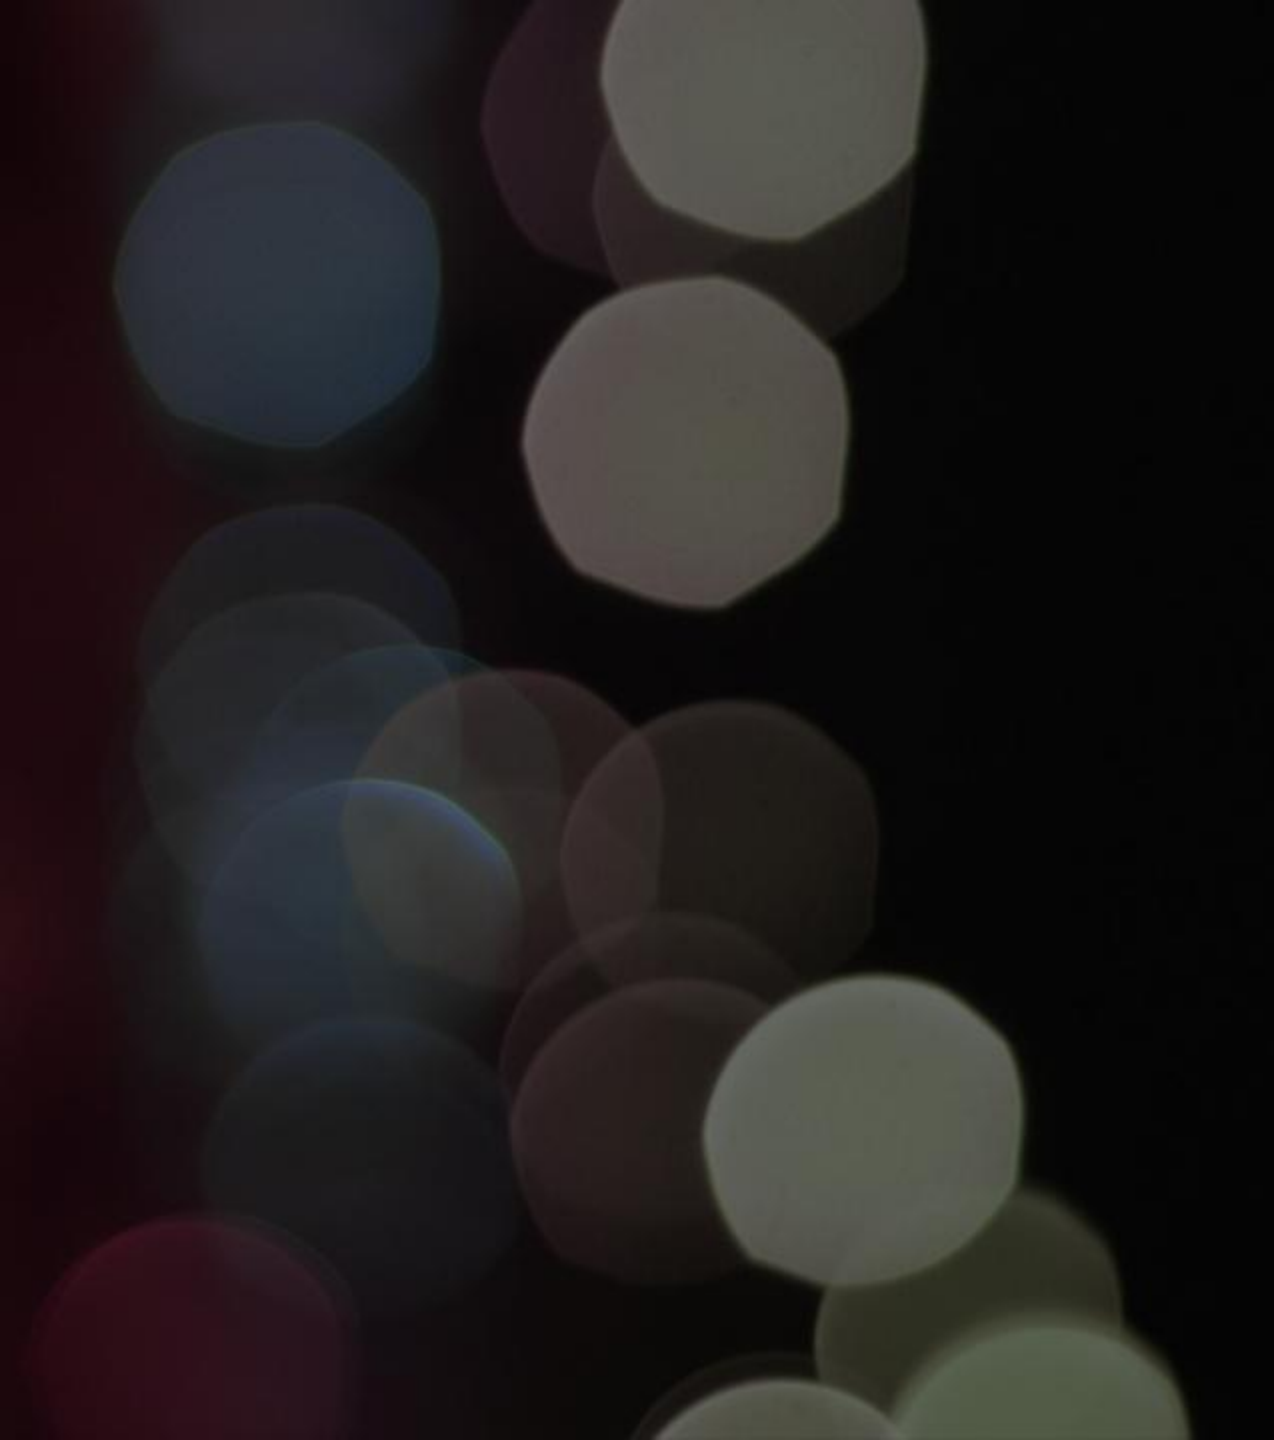

- Acknowledge what the customer has said.
- Demonstrate your willingness to help the customer.
- Include a question or phrase that will encourage the customer to give you more information that will help you identify their needs.
- Demonstrate that you have knowledge about the product they're interested in.
- Be warm and friendly, so the customer feels comfortable talking to you.

MAKING ENQUIRIES

- **What can you ask to get information about this product?**
- **List out the questions that you can ask.**
